

Global AI-Assessment Partner to Transform Hiring & Development

The MeritTrac Legacy

Founded in 2000, MeritTrac is India's leading pure play testing and assessment partner for businesses and institutes. From hiring to workforce development, we power smart talent decisions with scalable, analytics-driven solutions.

Our robust assessment and test delivery platform simplifies and secures the entire lifecycle—from registration to results—ensuring accuracy and integrity at scale. Trusted by businesses including universities and certification bodies, it is built to provide objective, reliable and fair evaluations.

Headquartered in Bangalore, we are part of the Manipal Education and Medical Group (MEMG), a leader in the areas of Education, Healthcare, Research and Foundation. We have enabled 400+ organizations globally to identify, develop, and deploy right talent faster and with precision - powered by Technology, Innovation and Passion.
